

## MISSION STATEMENT

The mission of the Abbeville County Coalition for a Healthy Community is to improve the quality of life for county citizens through collaboration of its diverse members.

## VISION STATEMENT

An integrated system of health\*, wellness, and social services providers working in a collaborative effort with other social and business organizations to achieve a common vision of improvement in their community's health status.

\*Note- when health is referred to here, it is in the context of community health - that is, medical health, as well as jobs, schools, environment, cultural, etc.

## GOALS OF ABBEVILLE COUNTY COALITION FOR A HEALTHY COMMUNITY

### EDUCATION

We will provide an education foundation leading to success of every student in the 21st Century Workplace.

### HEALTH

We will achieve measurable improvements in the health status of children and adults in Abbeville County.

### YOUNG CHILDREN

We will prepare our youngest children to achieve their full physical, emotional and intellectual potential.

### STRENGTHENING FAMILIES

We will provide a safety net of services to help families and individuals help themselves.

### ECONOMIC DEVELOPMENT

We will harness public and private resources in order to become an economically vibrant community.

### CULTURAL AFFAIRS

We will promote and encourage Abbeville residents to participate in cultural events.

## SPEAKERS AVAILABLE FOR PRESENTATIONS

Many of the Coalition members are available to make a presentation or provide a program to your organization or group.
